**Duties:**

The Medical Services Officer (MSO) performs a variety of administrative, patient care, and department head duties and functions pertaining to the complete operation of a shipboard medical department: general administration, medical administration, healthcare, fiscal and supply, training, pest control and sanitation, occupational health and preventive medicine, shipboard operational commitments and maintaining certification of eligibility. The MSO is directly responsible to the Master while assigned onboard MSC ships. Incumbent is also responsible to report to Military Sealift Command Norfolk Force Medical Officer for professional oversight and credentialing. Ensures continuing application of and compliance with EEO laws, regulations and policies.

**GENERAL ADMINISTRATION AND FUNCTIONS**

On a daily basis the MSO is required to maintain all medical department records, including medical ledgers, logs, inventories, individual health records and Department of Labor forms such as Federal Workers Compensation Forms, etc. in conformance with all applicable laws, rules and regulations. The MSO also has department head duties that require the incumbent be available to the ship's Master for a variety of health administration, oversight, and advisory functions and to perform other duties as assigned.

**HEALTH CARE**

The MSO on board MSC ships shall provide, at a minimum, the equivalent level of care as that provided by a Navy Independent Duty Hospital Corpsman. Documentation of all care provided will be complete, accurate, and legible in
conformance with current clinical standards.

**FISCAL AND SUPPLY**
The MSO is responsible for all of the supply functions unique to the medical department. The incumbent carries out all policies and procedures concerning afloat medical equipment and supplies, including medical consumables, and maintains inventories at prescribed levels.

**TRAINING**
The MSO shall conduct on a routine basis a schedule of medical training lectures for all embarked personnel or subsets of the crew as appropriate for the topics to include Cardio Pulmonary Resuscitation/Automated External Defibrillator (CPR/AED).

**PEST CONTROL AND SANITATION**
The MSO shall: (a) ensure currency of his/her pest control managers certificate, (b) conduct on at least a monthly basis, inspections of all food services spaces, storerooms, ship stores, and any other spaces that may be of concern to preclude the presence of a stored product pest, roaches, or rodents, in accordance with the guidance provided by area preventive medicine units, (c) monitor pest control spraying, trapping, and baiting by Navy approved pest control personnel and log results of surveys, (d) maintain the pest control log in SAMS and ensure that surveys, spraying, and pest control supplies are conducted by Navy approved pest control personnel and are entered in the appropriate logs, (e) ensure that adequate supplies are maintained on board and that they are stored in accordance with existing instructions, (f) provide for the establishment of a pest control spill kit and maintain accordingly, and (g) inspect all fresh produce and refrigerated items coming aboard to ensure quality and that it is pest free.

The MSO is responsible to the Master for inspecting and reporting on the sanitation of the ship. The incumbent will conduct at least monthly sanitation inspections of all food service spaces including, but not limited to, refer decks and storerooms, and report in writing to the ships Master the results of all inspections using reporting procedures as outlined in the P-5010, Manual of Naval Preventive Medicine.

**OCCUPATIONAL HEALTH AND PREVENTIVE MEDICINE**
The MSO will ensure that all physicals, medical surveillance, and chronic disease tracking, and immunizations remain current and are scheduled
appropriately.

**COLLATERAL DUTY**
Serve as primary Collection Site Coordinator (CSC) for the Drug Free Workplace Program (DFWP) and as alternate Breath Alcohol Technician (BAT) on board MSC Civil Service Mariner (CIVMAR) manned Ships.

**MARITIME PREPOSITIONING SHIP SQUADRON (MPSRON)**
The MSO may be assigned to a Maritime Prepositioning Ship Squadron (MPSRON).

The MSO assigned to a MPSRON, under routine conditions, has responsibilities that have a significant impact on the day-to-day operations of the MPSRON. When a MPSRON is called into action those MSO responsibilities will multiply in scope and importance depending on specific assigned mission and location. The below listed duties and responsibilities may apply to this assignment:

a. Provide all medical services for the Commodore and staff as required.

b. Administer Anthrax and Smallpox immunizations as required to all ships of the squadron. This may require travel.

c. Administer lifesaving aid to Contract Mariners (CONMARS) as requested by ships of the MPSRON squadron.

d. Conduct Medical Training to Contract Mariners (CONMARS) as requested by ships of the MPSRON squadron.

e. Conduct Occupational Health and Sanitation inspections and training that may be requested by ships of the squadron.

Everything in this Position Description is considered to be an essential function of this position. Performs other duties as assigned.
**Minimum Eligibility Requirements:**

Must be a United States citizen of at least 18 years of age and possess and maintain a valid:

1. U.S. Passport

2. A current United States Coast Guard (USCG) Merchant Mariner's Document (MMD) or Merchant Mariner's Credential (MMC).

3. Transportation Worker Identification Credentials (TWIC).

4. Must have at least one of the following:
   
   - Documented certification as a Advanced Practice Licensed Registered Nurse by a state, territory or commonwealth of the United States or District of Columbia.
   
   - Documented certification as a Licensed Physician's Assistant issued by a state, territory or commonwealth of the United States or District of Columbia or National Commission on Certification of Physician’s Assistant.
   
   - Previous Military experience equivalent to Independent Duty Hospital Corpsman/Independent Duty Health Services Technician (E-6 or above) and possess NEC 8425/8402/8403/8494, Army MOS 18D or USAF MOS 4NOX1.

**LICENSING AND/OR CERTIFICATION REQUIREMENTS:** USCG Certificate of Registry as one of the following: Physician's Assistant, Registered Nurse, or Hospital Corpsman.

**Evaluation Criteria:**

Applicants who meet the minimum eligibility requirements described above will be further evaluated. Documented knowledge, skills, and abilities, education, training, and awards contained in the application package and resume will be reviewed and rated to determine the degree to which applicants possess the required knowledge, skills, and abilities listed below that are essential to perform the duties and responsibilities of the position for which applications are being considered.

1. Ability to provide appropriate shipboard occupational and non-occupational medical treatment independent of a physician.

2. Knowledge of and ability to provide shipboard emergency medical care, including CPR and use of automated external defibrillator, independent of a physician.

2. Able to obtain and maintain security clearance eligibility and assignment to a sensitive position.  
3. Able to successfully pass the physical examinations (arranged by MSC) and maintain MSC medical requirements. Participate in vaccine immunization; including a tuberculosis (TB) screening test is also required. TB screening is not provided at the MSC-arranged medical examination, but can usually be obtained from your personal medical provider or free at any local public health clinic. If you have previously had a positive TB skin test (i.e. a CONVERTER or REACTOR), another skin test is not required. You must instead provide the medical department written proof that you have completed treatment with medicine (i.e. INH), or that you have started treatment with medicine, or that such treatment is not warranted as determined by competent medical authority.  
4. Attend and successfully complete all mandatory training courses, including personal survival, which requires the ability to float in the water for a minimum of sixty (60) seconds.  
5. Be ready, willing, and able to physically perform the duties of this position worldwide at all times.  
6. Be ready, willing, and able to work in a shipboard environment and wear protective equipment worldwide at all times.  
7. Entry-level positions require candidates to pass an English language competency test.  
8. Participate in direct deposit/electronic funds transfer as the standard method of payroll payments.  
9. Capable of speaking, understanding, reading and writing the English language. |
NOTE:

a. The tentative offer of employment will be rescinded if the selectee fails to report to any of the scheduled appointments, fails the physical examination, fails the language competency test, fails the drug test, fails to disclose employment information, fails to report to new employee orientation, or is unable to obtain a security clearance.

b. On a case-by-case basis, an applicant who accepts a tentative offer of employment will be required to provide a VA Rating Decisions and/or Office of Worker’s Compensation Program (OWCP) Scheduled Awards.
